Town Council Meeting

Will Replace Many 'Stop' Signs With 'Yield' Signs

At the June meeting of the Vulcan town council, authority was given the police committee to replace many of the "stop" signs in town with "yield" signs. This in line with general practice in most other towns at intersections that are not unduly dangerous or busy. "Stop" signs will remain at a few dangerous intersections but the "yield" signs have been ordered and it is hoped to have them installed before the end of the month.

The federal government has renewed its option on the corner lot formerly occupied by Elder's Garage and has also asked that a price be set on the corner lot next to Gareau's Iron Works. The lots are being considered as sites for a new post office.

Three building permits were approved: County of Vulcan for two duplex size 26x72, to be moved from the RCAF Station, Claresholm, estimated cost \$16,000.

Peter Brittnier, for a wooden arch building size 40x72, to be located near the UFA Co-op and used for a Cockshutt agency, estimated cost \$4,500.

Central Meat & Groceries, for a 20x25 addition to store and new front, estimated cost \$2,500.

A raise of \$25 a month was approved for all permanent town employees.

Council will try to arrange for a colored water fountain to be installed in the Memorial Park for the three days of the 50th anniversary celebration.

Dist. 12, F.U.A. Membership Has Largest Increase

District 12 of the Farmers Union of Alberta, with C. J. Versluys of Champion as director and D. H. Galbraith of Vulcan as alternate director, has led all FUA districts in the province this year in increased membership.

Membership now stands at 2,226, an increase of 424 units (family memberships) over the 1961-62 figures. A cheque in the amount of \$424 has been received by District 12 from the FUA Provincial office as the prize for topping all FUA districts in the membership drive. Mrs. Margaret House of Arrowwood is District 12 secretary-treasurer.

Radio Amateurs Field Day This Weekend

Radio amateurs throughout the United States and Canada will put on an exhibition of skill, stamina and emergency preparedness this coming weekend, June 22-23, when they leave their homes and move their stations to selected emergency operating sites such as the tops of mountains, fire towers and the like. The event, called Field Day and held annually (except during war years) since 1933, is sponsored by the binational amateur radio organization, The American Radio Relay League. The exercise is held as a contest which lasts 24 continuous hours and finds small groups and clubs on the community level competing against one another.

The object of the exercise is to give the hams a chance to test the equipment and procedures which they will use to help such agencies as the Red Cross, civil defense, police and public utilities when normal communications are disrupted by disasters such as floods, fires, hurricanes and the like. Most of the amateurs will operate their equipment from their cars or from gasoline-driven electric generators, just as they would if power should fail during a real emergency.

The radio amateurs' past participation in times of national and local emergencies is a tribute to the training derived from this type of preparation.

The public is cordially invited to visit the Field Day sites, inspect the operations and discuss with the operators their plans for aiding their communities.

The results of the competition will be presented in the League's monthly magazine, QST, later this year.

The site for Vulcan County Amateur Radio Club's field day activities is two miles south on Highway 23 and two miles east.

An increase of 244 and third place by District 10 with an increase of 183 units.

Twenty-five per cent of the people in the British Isles are blond.

Pentecostal Tabernacle Dedicated

Sunday, June 16, was a highlight day in the history of the Pentecostal Tabernacle of Vulcan when the new church building was dedicated to the glory of God.

The dedication service, held at 3:00 p.m., was well attended. Expressions of appreciation were given by Rev. C. Yates on behalf of the Alberta Conference of the Pentecostal Assemblies of Canada; by Mayor M. R. Morrison on behalf of the Town of Vulcan, and by J. Schmale on behalf of the Calgary Pentecostal Tabernacle which had assisted in many ways in the erection of the building. The dedication was made by Rev. S. R. Tilton, Superintendent of the Alberta Conference of the P.A.O.C. The dedicatory prayer was led by Rev. L. Hale. Rev. C. Yates brought the dedication message and chose as his theme, "For the Glory of God."

In the Sunday School hour a record number of 58 was in attendance, breaking the old record of 52. Rev. S. R. Tilton was the morning worship speaker.

During the evening service Rev. L. Hale was the speaker. He chose as his theme, "Compel Them To Come In." Rev. Hale, who is presently working in Drumheller, will take over the pastoral duties in the Vulcan Pentecostal Church on Aug. 1, 1963. Rev. G. Lagore, who has been pastor here for the past six years, will move to High Prairie, where he will begin another pioneer work.

Big Majority For Speaker

Raymond Speaker of Enchant, Social Credit, was elected as Member of the Legislative Assembly for Little Bow constituency in the provincial election held Monday, June 17. He polled 3,372 votes. Douglas H. Galbraith, Progressive Conservative, received 1,247 votes, and Arthur W. Ulrich, Liberal, received 650 votes. Voting was not heavy, according to Returning Officer William Turley, as the enlarged constituency now contains approximately 7,800 eligible voters.

In 1959 election, Peter Dawson (Social Credit member who represented Little Bow for 28 years before his death this year) polled 2,939 votes, while Dr. Bernard Tonken, Prog. Conservative, got 989 votes and Donald McIven, Liberal, got 603 votes.

Provincially, Premier Ernest Manning's Social Credit government won 60 of the 63 seats in the House, with two Liberals and one Coalition candidate being elected. Dave Hunter, Liberal leader, and Milt Harraden, Progressive Conservative leader, both failed in their bids for election.

Newell Bros. Outfit Wins

16 Wagon Outfits Compete At McGregor Race Meet

Official Opening Of 50th At 1 p.m., June 29

Official opening of Vulcan's three-day 50th anniversary celebration, June 29-30 and July 1, will take place at the skating arena at 1:00 p.m. on Saturday, June 29. At 1:30 p.m. the presentation of trophies in connection with the annual 4-H Clubs calf show and sale will take place.

50th Anniversary souvenir coins are now available at most business places in town. Selling at 25 cents, they can also be used as a medium of exchange at the Vulcan business places handling them. It is hoped, of course, that most of the coins will be picked up and kept as souvenirs, thus leaving few, if any, to redeem at their 25 cent value.

Another idea adopted by the anniversary committee is that of having a display of oldtime photos and snapshots at the Canadian Legion Hall during the three days of the celebration. Such a display is certain to be of great interest to old-timers and those with pictures that can be loaned for this purpose are asked to contact Mrs. J. C. MacMillan, phone 72, Vulcan. Pictures will be returned undamaged.

SANDRA OLDFIELD

Crowned as Miss Lake McGregor and Race Meet Queen was Miss Sandra Oldfield, whose entry in the Lake McGregor Race Meet queen contest was sponsored by the Berrywater FUA. Her ladies-in-waiting were Miss Carolyn Robertson of Queenstown and Miss Wendy Elliott of Travers.

The feature event of the Lake McGregor Race Meet, held June 14-15 with good crowds in attendance both days, was the chuckwagon races and this year there were 16 outfits competing in the two evenings of this exciting type of race.

Winner of the Milo Hotel Trophy for the best total time of the two days was the Newell Bros. outfit from Rockyford, driven by Bob Cosgrave, who, as winning driver, was also awarded the Lethbridge Brewery trophy.

Second place honors (for the second year in a row) went to the Peter Bawden outfit from Calgary, driven by Dale Flett and awarded the Bill Marks trophy. Third prize (Leadbeater Bros. trophy) went to Bill Greenwood, Lousana, outfit. In fourth place was the Merle Anderson of Carbon outfit and fifth place honors were shared by Lloyd Nelson of High River and Ken Tanner of Ponoka.

Art Marks of Armada is president of the Lake McGregor Memorial Park Association, which sponsors the race meet, and Art Nelson was chairman of the race meet committee. Chuckwagon race starters were Ole Willard and Jim Dew and judges were Jim Prentice, Harry Gooch and J. Murphy.

The Saturday morning parade is always a popular feature of the McGregor Race Meet and the many outstanding floats and western riders were again augmented by the colorful mounted sections representing the Gymkhana Clubs of Arrowwood, Cluny and Lake McGregor. Parade marshal was Roy McIntyre, assisted by Larry Umschied, and prizes were awarded as follows:

Best Float in Parade (Richardson & Gould trophy)—1, Milo-Queenstown FUA; 2, Rose Leaf Rebekah Lodge, Milo.

Fraternal and Club Section (Peterson Farm Equipment trophy)—1st, Rose Leaf Rebekah Lodge, Milo; 2nd, Queenstown Women's Institute; 3rd, "The Nurses"—Vulcan Nurses' Assoc.

Agricultural Section (Jesse James Equipment trophy)—1st, Milo-Queenstown FUA; 2nd, Berrywater 4-H Club.

School and Church Section (L. H. Phillips & Sons trophy)—1st, Milo CGIT; 2nd, Milo School.

Comic Section—1st, Milo-Queenstown Lions Club—Lion, David Deltz; Aborigines, Bob Healy and Don Deltz; 2nd, Liberty Hillbillies—Grandma, Ethel Heather; Ellie Mae, Carol Winch; Grandma, Bob Deltz; Aunt Pearl, Bernice Winch; Jethro, Hap Heather.

Horse and Buggy—1st, P. Silbernagel; 2nd, T. Orchard. Old Cars—1st, Bill Marks.

Mounted Section—Glamour, Senior Women—1st, Myrna Marks; 2nd, Wendy Morris.

Glamour, Senior Men—1st, Norman Ward. Western, Senior Men—1st, Roy King; 2nd, Art Marks. Western, Senior Women—1st, Joanne Laid; 2nd, Pat Reilly.

Best Junior Cowboy and Equipment—1st, Wilbur Anderson; 2nd, Randy Bertschy; 3rd, Blaine Nelson.

The Gymkhana Clubs from Arrowwood, Cluny and Lake McGregor brought the excellent parade to a close. Each club was dressed in matching shirts which were very effective. An entry from the Arrowwood Gymkhana Club—the George Ward family were mounted on matched Arabian horses and drew acclaim from the crowd. Mention was also made of Mrs. Commodore Allen, who was riding in one of the vintage cars. Mrs. Allen was wearing a dress over a century old that had been owned by Mrs. Hill Sr., of Vulcan. NOTE:—Space and time commitments make it impossible to include the detailed results of the Friday and Saturday horse races and chuckwagon races in this week's issue of The Advocate. These reports will be published next week.

New Construction And Remodelling At Three Stores

Work started this week on an extensive re-building and renovation program at Robinson Stores and the Vulcan Supply Co.

The buildings were purchased recently from G. C. Collier by Mitchell & Mitchell Stores Ltd. The building occupied by Robinson Stores will first have the back part torn down and replaced by a cement block structure some 19 feet greater in depth. The store will operate in the new half of the building while the front half is torn down and replaced.

The back portion of the Vulcan Supply building is also being replaced with a new structure 19 feet greater in depth. The rest of the building will be completely remodelled and a new front constructed.

Ernest Lind is the contractor. Other new construction work in the business area includes a new front and a 20 foot extension to the premises of Central Meat & Groceries. Smith & Walker are the contractors on this job.

Attend F.Y.P. Week At Edmonton

Gloria Bertachy, of Mossleigh and Walter Voys, of Milo attended Farm Young People's Week in Edmonton under sponsorship of the Alberta Wheat Pool. They were among 35 young people sponsored at the short course by this farm co-operative.

This is the 45th consecutive year that Farm Young People's Week has been held at the University of Alberta in Edmonton and the 20th year that a group of 35 boys and girls have been sponsored by the Wheat Pool. This year's group brings the total number sponsored by the Pool over the years to 700, and these have come from all regions of Alberta.

As well as paying the return transportation costs of these young people, the Alberta Wheat Pool has contributed \$15.00 towards the cost of room and board for each while at this popular short course.

The ladies of the Brant Red Cross, assisted by friends in the community, served approximately 150 guests at the reception in the Brant Community Hall. A three-tiered wedding cake, flanked with gold tapers, and a beautiful bouquet of carnations and roses, centered the head table. Mr. and Mrs. Graham, with close relatives, as well as a life-long friend, Mrs. Bartlett, 87, of Kalispell, Montana, were seated at this table while another one was reserved for their other relatives.

NOTIFICATION RE

SUBSCRIPTION RATE CHANGE

GROUP SERVICE CONTRACT PLAN "A"

During the three and one-half years since our last subscription rate change, M.S.(A).I. has experienced a considerable increase in the use of the services available to its members. In 1962 this utilization increased 7.6% over the utilization of 1961. While the cost of administration has been reduced and the fee schedule has remained stable, the present rates have been insufficient to take care of the increased demand for services. The Corporation, as a result, finds it necessary to increase rates to its subscribers.

This notice, therefore serves as your official notification in accordance with Section VIII, Paragraph (b), of your Group Service Contract Plan "A" that effective July 1, 1963 the new rates will be as follows:

For each single employee covered	\$ 3.20
For each family of two covered	\$ 7.20
For each family of three or more covered	\$10.40

In order to curb these increasing costs, members must guard carefully against excessive or unnecessary use of services.

PROGRESSIVE EDUCATION AGRICULTURE INDUSTRY
SERVED WITH FLUORIDATED WATER

With the erection of new signs at the city limits, Red Deer has joined other Central Alberta communities in boasting of water fluoridation. To the extreme right of the sign, the slogan "served with fluoridated water" appears under such other local attributes as "progressive education, agriculture, industry." This is the first time fluoridation has been publicly acclaimed after four years. The signs, which were recently erected, also list six service clubs and organizations who assisted in the financing of the sign project.

These explosions you've been hearing lately along the golf course are not Swede Robertson or some of the boys coming out of the rough but are the work of the blasting crew on the water pipe line. Layers of sandstone have been encountered along the golf course and must be broken up by dynamite and cleared by the back-hoe.

One of the two 21,000,000 gallon water reservoirs west of town which will store local water supply in future is shown above with a crew in the foreground working pipe intake connections. In the background can be seen the black liner material being laid along one slope of the reservoir.

A considerable amount of water had been pumped into the east reservoir when a combination of faulty laying of the plastic and heavy winds caused considerable damage and the water being

Letters to the Editor

Box, 47, Champion June 18th, 1963 To the Editor of The Advocate,

Dear Sir, May I, through the columns of your newspaper, sincerely thank you and your staff for all the assistance and co-operation which you gave to me during the election campaign.

I would also like to thank all of those who worked and voted for me.

My congratulations and best wishes to Ray Speaker, and good luck next time to Doug Galbraith.

Yours very truly, Art Ulrich.

To the Editor of The Advocate, Dear Sir,

Regarding the Senior Citizens' Social Evening and Re-union in the Community Centre at Lomond on June 8th:

I feel that I speak for everyone of the guests when I say that a great big thank-you is in order to the committee responsible for all arrangements.

It was so wonderful to get an invitation and be able to attend and I think it would be very nice to get an invitation even if one could not attend.

The endless search for present day addresses of people long gone, so thoroughly done and the organizing of the social evening and entertainment, also the very nice refreshments, with every consideration given to each detail, wonderful hospitality before, during, and after is something we will never forget.

The joy of again meeting old neighbors and friends, talking over old times made this one of the most pleasant days in my life.

To the committee for a really worthwhile effort so well done, thanks to each and everyone of you, so very much from all of us guests.

Sincerely, Robt. L. McManus, 12141 80th St., Edmonton.

Jubilee Program Complete

Word of Vulcan's impending 50th Anniversary celebration June 29, 30 and July 1st has been spread far and wide these last few months and it is building up to full on-the-spot coverage by various news outlets.

Radio stations CHEC and CFCN have been secured to give air coverage of the event and will be in Vulcan on Saturday and parts of the two remaining days.

Late word has come from Calgary radio station CFAC which has volunteered help in publicizing the Celebration and the station Helicopter will be down giving air coverage of the parade Monday morning.

An additional feature in the way of prizes has developed courtesy of CFAC in that free helicopter rides will be given away as parade prizes, four from the Kiddies Saturday parade and eight chosen from the Monday event.

Over 70 entries of various types are now in the hands of either Corny Versluys, parade marshal or Mack Sinclair of the town office and more are promised so the Monday parade is shaping up to

be a big one. Deadline for those wishing to take part is Tuesday, June 25. A large contingent of city Shriners will also be in the parade with their musical group and marching team, along with some models from the old-car club of Calgary.

The cake baking contest organized by Fred deJong of Vulcan Bakery will be judged Saturday morning and the many bakery items will all be turned over to the afternoon Reunion Tea at the Legion Hall.

An appeal has gone out by the Lionettes to anyone having spare rooms for all or part of the three days. It is felt extra billeting may be required for some guests and anyone willing to help in this regard is asked to phone 90 or 140.

It is planned that ample seating will be available for elderly folk along a portion of main street so they may sit and await the parade without becoming over-tired. This is a project of the Vulcan Kinsmen Club. At the Sunday

evening outdoor church service south of the swimming pool some seating will also be provided but as many people as possible are urged to bring camp chairs or blankets. Rev. E. G. Hansell is guests speaker at this service.

Official opening of the Celebration will take place at 1:00 p.m. at the local arena where the Vulcan District 4-H Calf Club Show and Sale will be in session.

At the conclusion of the street dance Saturday night a fire works display will be seen on the CPR area east of the dance location.

Three ministers of various local churches have been asked to judge the Saturday morning Kiddies' Parade which starts at 10:00 a.m. Entries should go immediately to Virginia Mitchell of Vulcan Pharmacy.

A display of old-time photos is being assembled to be set up at the Legion Hall for viewing by visitors at the Reunion Teas and anyone with any such photos to lend is asked to contact Mrs. Clayton MacMillan.

District Oldtimer B. R. Lommatzsch Dies At Age 86

A Vulcan district homesteader in 1910, well known oldtimer Barney Lommatzsch died at Vulcan on Sunday, June 16, 1963, following a prolonged illness. He was 86 years of age.

Born in Stetsonville, Wis., Mr. Lommatzsch came from Mankato, Minn. to Nanton in 1907. After homesteading here, he was instrumental in organizing the Vulcan Co-operative Co. Ltd., a lumber and building supply firm, and was its first manager.

From 1925 to 1946 Mr. Lommatzsch engaged in fox farming, with ranches at Vulcan and Millerville. He was one of the first members of the Alberta Wheat Pool and was a 49-year member of the Odd Fellows and Rebekah Lodges. Mr. and Mrs. Lommatzsch were the oldest married couple in the Vulcan district, having been married 64 years ago.

Besides his wife, he is survived by two daughters, Mrs. Alma Harris of Sandon, B.C., and Mrs. Jack (Marjorie) Denbigh of Vulcan; two grandchildren and one brother at Duluth, Minn.

Rev. R. J. Petham of Vulcan and Rev. Ed Benoit of Nanton will conduct funeral services at the Vulcan Church of Christ on Thursday, June 20, at 2:00 p.m. Grave-side services will be conducted by Samaritan Lodge, IOOF.

Honorary pall-bearers will be Jack Deans, Sr., E. G. McPherson, Calvin Hollister, G. C. Collier, Douglas B. Smith and George Todd.

Active pall-bearers, all members of the Odd Fellows Lodge, will be Albert Collier, Ernest Bowle, Roy Fulton, Jack Deans, Jr., William Salvage and Clayton MacMillan.

The Vulcan Funeral Home is in charge of arrangements and interment will be in the Vulcan cemetery.

Fire Fighters Will Compete At High River

The High River fire department is hosting three other fire crews from Okotoks, Nanton and Vulcan this Sunday, June 23, at the rodeo grounds in High River.

Fire Chief Bill House says things will start off with an oil fire. A large pit is filled with oil, gasoline is thrown in for a quick-starting fuse, then a match, and she roars up.

Last year, during a Civil Defence training exercise here, a smaller oil pit fire threw black smoking billows 200 feet in the air.

The hose laying competition will time the prowess of the four teams. It's a race against each other and the clock, with the target a 12-inch spot 30 feet away.

High River is smirking at this point. They have their time down to an amazing 20 seconds.

Then there's the ladder work to be put on by the High River firemen. They will simulate the rescue of two men from the top of a building.

Climaxing the show will be a water fight with five men on a team. The two teams will be drawn from a hat in which all the firemen have placed their names. They have to drive a beer barrel, sung from a cable 30 feet in the air, to the opposing team's end. It promises to be a mite wet.

The High River RCASC band will be at the demonstration, and for kids accompanied by their parents, free fire helmets. A silver collection will be taken to aid the local department in the purchase of a resuscitator.

C.W.L. Holds Regular Meeting

The St. Andrews Council of the CWL met in the parish hall Thursday, June 13, for their regular meeting with a fair attendance.

Mrs. Lyle Spanke presided assisted by secretary Mrs. Louis Shaw. Director Father Marien led the League prayers. Following the reading of the minutes and roll call the members voted in favor of continuing the group system of fund raising when the activities are resumed in the fall.

Father Marien, Mrs. Lyle Spanke and Mrs. Louis Shaw gave a brief report on the one-day convention of the CWL in Banff which they were able to attend.

Mrs. A. Murphy, education convener, gave a report on the comments expressed by a well known Canadian columnist and read excerpts from the Western Catholic.

Father Marien announced the summer school would be held from August 5 to 10 and the ladies of the parish are asked to contact Mrs. L. Spanke about serving noon meals to the sisters.

The meeting was closed with a prayer and blessing by Father Marien. Hostesses for the meeting were Mrs. Spanke and Mrs. J. Douville. The tea draw was won by Mrs. Les Shaw.

Vulcan Girl Stars In "South Pacific"

Friends of Miss Betty Hammer of Vulcan will be interested to hear that she took the leading role in the Grand Prairie Little Theatre's spring production, "South Pacific."

BETTY HAMMER

This was the Little Theatre's fourth musical and the most ambitious one so far. "South Pacific" was presented for four nights, May 1, 2, 3 and 4, and was seen by approximately 1,500 people in and around Grande Prairie.

For Betty, who has been actively engaged in dramatic activities in Grande Prairie for the past five years, the part of Nellie Forbush, the navy nurse in "South Pacific", was by far her most exciting and challenging role. Betty had her first opportunity to do solo work with an orchestra, as well as having a most demanding role as an actress.

Not only was "South Pacific" the most ambitious musical that the Little Theatre has tackled so far, but the success of the production was the most gratifying. Performances in all phases of the produc-

tion were termed as outstanding by all who saw it.

Two musicians imported from Edmonton for the four nights, stated that the production put on by Grande Prairie compared very favourably with any musicals put on by little theatre groups in Edmonton. They added that the calibre of acting here was extremely high.

"South Pacific" had a cast of 35 people. The Grande Prairie city orchestra under the leadership of M. Intscher, thrilled audiences every evening. It was estimated that nearly 100 people were vitally connected with the show.

Plans are already underway for another musical, "Oklahoma" in the spring of 1964.

Home Economist Guest Speaker

The June meeting of the Thigh Hill WI was held at the home of Mrs. E. Erickson. The president Mrs. O. M. Roe was in the chair. Twelve members and four visitors answered the roll call with "A penny for every inch of height" adding a nice contribution to WI funds. Following business of the meeting, Mrs. O. M. Roe reported on the conference held recently at Barons and informed the meeting that Thigh Hill will co-host with Reid Hill for the conference to be held in Vulcan next year.

Miss M. McLachlan, Home Economist, guest speaker, gave a talk on "Entertainment and Sample Menus" a subject the ladies had requested. The meeting closed with a lovely lunch set by the hostess. The next regular meeting will be held at the home of Mrs. M. Gottenberg, September 4.
